The hoodie is a staple of any young urbanite’s wardrobe, and for eleven years **Just Hoods®** have supplied streetwear start-ups, sports teams and musicians with top-quality, contemporary designs in the largest variety of colours available.

We stick to what we do best, and we’re only getting better at it.

Heritage

Launched in 2008, Just Hoods started out with just one core style in 30 colours; since then, we have built our collection in line with our customers’ needs, maintaining the attributes that make us their first choice for blank apparel. Although our products are designed in the UK and roots remain British, the past decade has also seen our brand become well established across Europe.

Integrity

We believe in doing things the right way at Just Hoods, and all of our garments are manufactured in factories where conditions are routinely and stringently checked to meet ethical standards. We ensure that the production of Just Hoods garments remains responsible and socially sustainable.

Printability

As a premier provider of blank apparel, the printability of our garments is paramount to Just Hoods. Our core styles are manufactured using ultra soft, combed ring-spun poly-cotton fabric, providing unbelievable comfort and the ultimate printing surface.

**11 years.  
111 colours.  
Never better.**

## Our Ethics

We’re passionate about doing things the right way at AWDIs, which is why we only partner with factories that meet our high standards and commitment across human resources management, health and safety, environmental practices, legal compliance, security standards and local laws.

We and our global partners have a shared commitment to fair and safe working practices throughout our supply chain, We recognise our responsibility to ensure the manufacturing methods used match the ideals of those who love and wear our products.
