## How to Order

### Step 1: Choose your garments or other products

Go **PREMIUM** if (workwear, sports, fashion):

- You want the highest quality finish to your clothes
- You want durability for heavy wear and regular washing
- You want the best feel and fit for a professional look

Go **CLASSIC** if (workwear, sports, fashion):

- You want a wide range of garments in the same brand
- You want reliability and affordability
- You want a garment designed to withstand regular use and the washing that requires

Go **BUDGET** if (workwear only):

- You want a workwear garment designed for the purpose
- You need to save the £££s for something else
- You're happy with a smaller range of garments to choose from

Choose from one range to ensure consistency of colour, fit and sizing.  
We offer a wide range of garments for all purposes.

Our personal service means that we can find out a bit more about what you do and make recommendations especially for you.

We will ask questions like these:

Does your workwear need to meet specific requirements for a certain contract (e.g. orange hi-vis for working in the quarry)?

Does your clothing get very heavy use?

Do you need to have a smarter option for managers/meetings/giving quotes?

Do you work in an environment that means your garments need regular hot washes (i.e. mechanic or painter/decorator)?

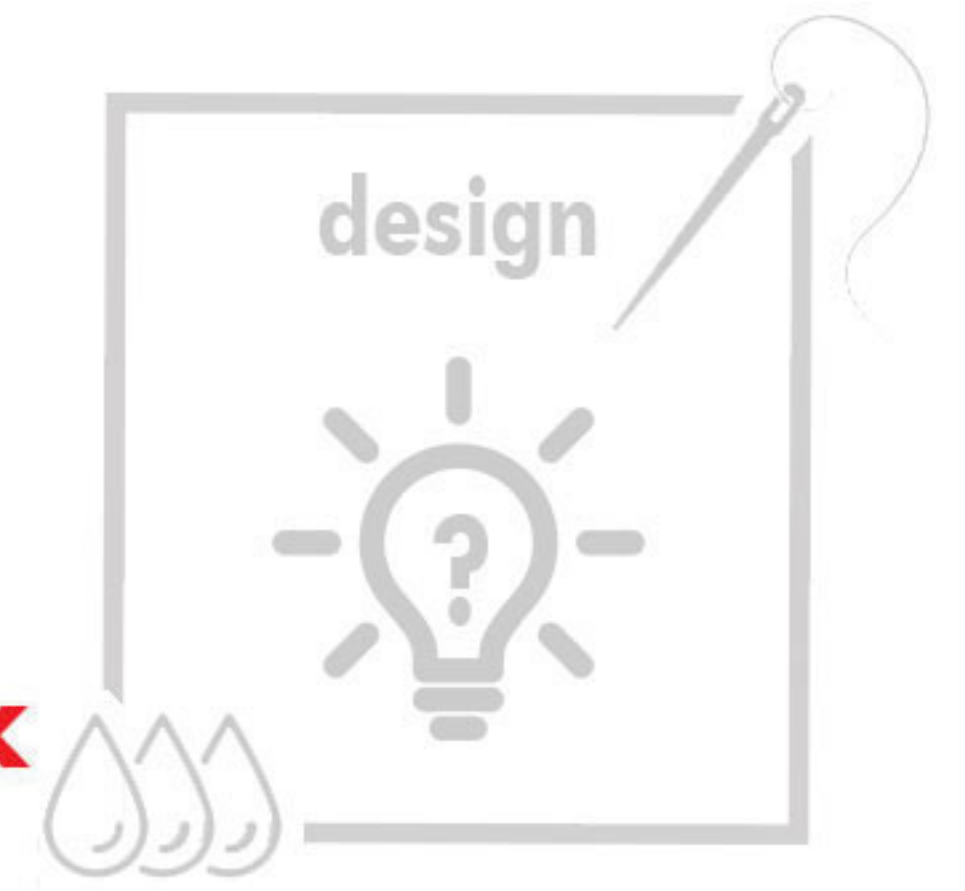

Do you need something with a particular fit/stretch/material for your sport or activity?

Do you want a fashion finish or something purely practical?

## How to Order

### Step 2: Supply or commission your artwork

#### **I have my own design**

If you have a digital copy of all or any part of your design/logo, please email it as a PDF to [sales@extramileprinting.co.uk](mailto:sales@extramileprinting.co.uk)

We can also accept the following file types: High res JPEG - Ai - eps - png - tif - psd files

#### **I have a drawing/painting/photo print**

You can bring the original to our studio for scanning/photographing, or send it by email.

All images supplied should be:

- In the highest resolution possible
- In any file format, as long as it is PC and Windows compatible
- If you are sending a photograph, please send the original file. Images that have been compressed by mobile apps or social media usually don't print well. Please ask if you have no alternative and we will advise whether we can achieve a good print quality.

Any artwork or images you supply must be your own to share, or with permission from the owner of the image.

#### **I need you to create a design -**

We offer the first hour of design **FREE**.

Please think carefully about:

- What your design is for (e.g. company logo, workwear, gift or special occasion, sports, teams and clubs, business stationery, poster or leaflet, merchandise)
- Who your design is for (e.g. adult, child, customers, friends or family)
- What appeals to the person/people your design is for (e.g. colours, font, style, brands, other logos, music, taste, age-group relevance)
- Which product/s your design will be for (e.g. items of clothing, large format, stationery, gift items, more than one product type)
- What could inspire your design (e.g. favourite colours, other designs you like, company ethos, desired image)

If you need an image, logo or simple text on a one-off T-shirt or gift item for example, talk to any member of staff today and we'll arrange this for you.

For more complex designs we may ask to make an appointment with you to work on your design together within the free hour

£30 per additional hour; Company logo design - £50

We ask you to think carefully about your design because if you need/decide to make changes to your artwork after the first hour of free design, extra design charges may be incurred. We will discuss this with you.

Extra Mile Printing does not allow the reproduction or sharing of your artwork file/s.

Violation of this will incur a design fee.

If you would prefer to own your artwork - please talk to us.

## How to Order

### Step 3: Payment and completion of your order

**Our staff will take your details and:**

- **Product choice/s including where applicable colour/s, size/s, quantity**
- **Design requirements**

**Our staff will either take your payment today, or send a detailed invoice.**

**Payment is required before we begin work on your order.**

**If we are creating your design, or something new for you, you will receive a visual representation of your chosen products.**

**We need your approval before we begin work on your order.**

**To confirm your order we will ask you to:**

**Check the details of your invoice and make payment in full.**

**This includes details of the garments, sizes and colours you have chosen (we may send this as a separate email for larger orders).**

**For orders over £100, payment can be made by bank transfer, in person with cash or card, or by cheque.**

**Account name: Extra Mile Printing Ltd - Sort code: 08-92-50 Account number: 68667566**

**For orders under £100, we will usually send a card payment link, which you will receive by separate email. Check your artwork proposal.**

**This is the design you have been/will be sent to approve.**

**If you haven't received this yet, it will be on its way shortly.**

**We aim to get your invoice and your artwork to you at the same time but sometimes one arrives before the other at busy times!**

**Please check spellings, colours, print placements and anything else that it is important to get right in your design.**

**Your order will be processed on receipt of payment and confirmation that you are happy with your artwork and are ready to print.**

**We will call or email as soon as your order is complete and ready for collection (unless you've paid for delivery).**

**Once you have agreed your visual proposal and made payment of your invoice, we will be unable to make changes to or cancel your order.**

**If there is a problem with your order once it is complete that is due to an error on our part, it is our policy to offer replacements rather than refunds.**

**We cannot offer refunds or replacements for items that have been ordered incorrectly. Please check sizing carefully according to the product information supplied.**

**If you have any questions about your order before making final confirmation, please don't hesitate to contact us.**

**We look forward to delivering your order on time and above expectations!**

## SIZE GUIDE

All of our measurements are based on actual "to fit" body sizes rather than the size of the garment itself. For example, a polo shirt with a chest to fit size of 92-97cm / 36-38" will fit someone with this chest measurement; trousers with a waist to fit 50 Europe / 34", will fit a person with this measurement.

HERE ARE SOME TIPS TO HELP YOU CHOOSE THE MOST APPROPRIATE GARMENT SIZE(S):

1

### CHEST

**Men:** Measure around the fullest part of the chest, 2.5cm below the underarm.

**Women :** Measure around the fullest part of the bust.

2

### WAIST

**All:** Measure around the natural waist, keeping the measuring tape taut.

3

### COLLAR

**Men:** Measure around the base of the neck.

4

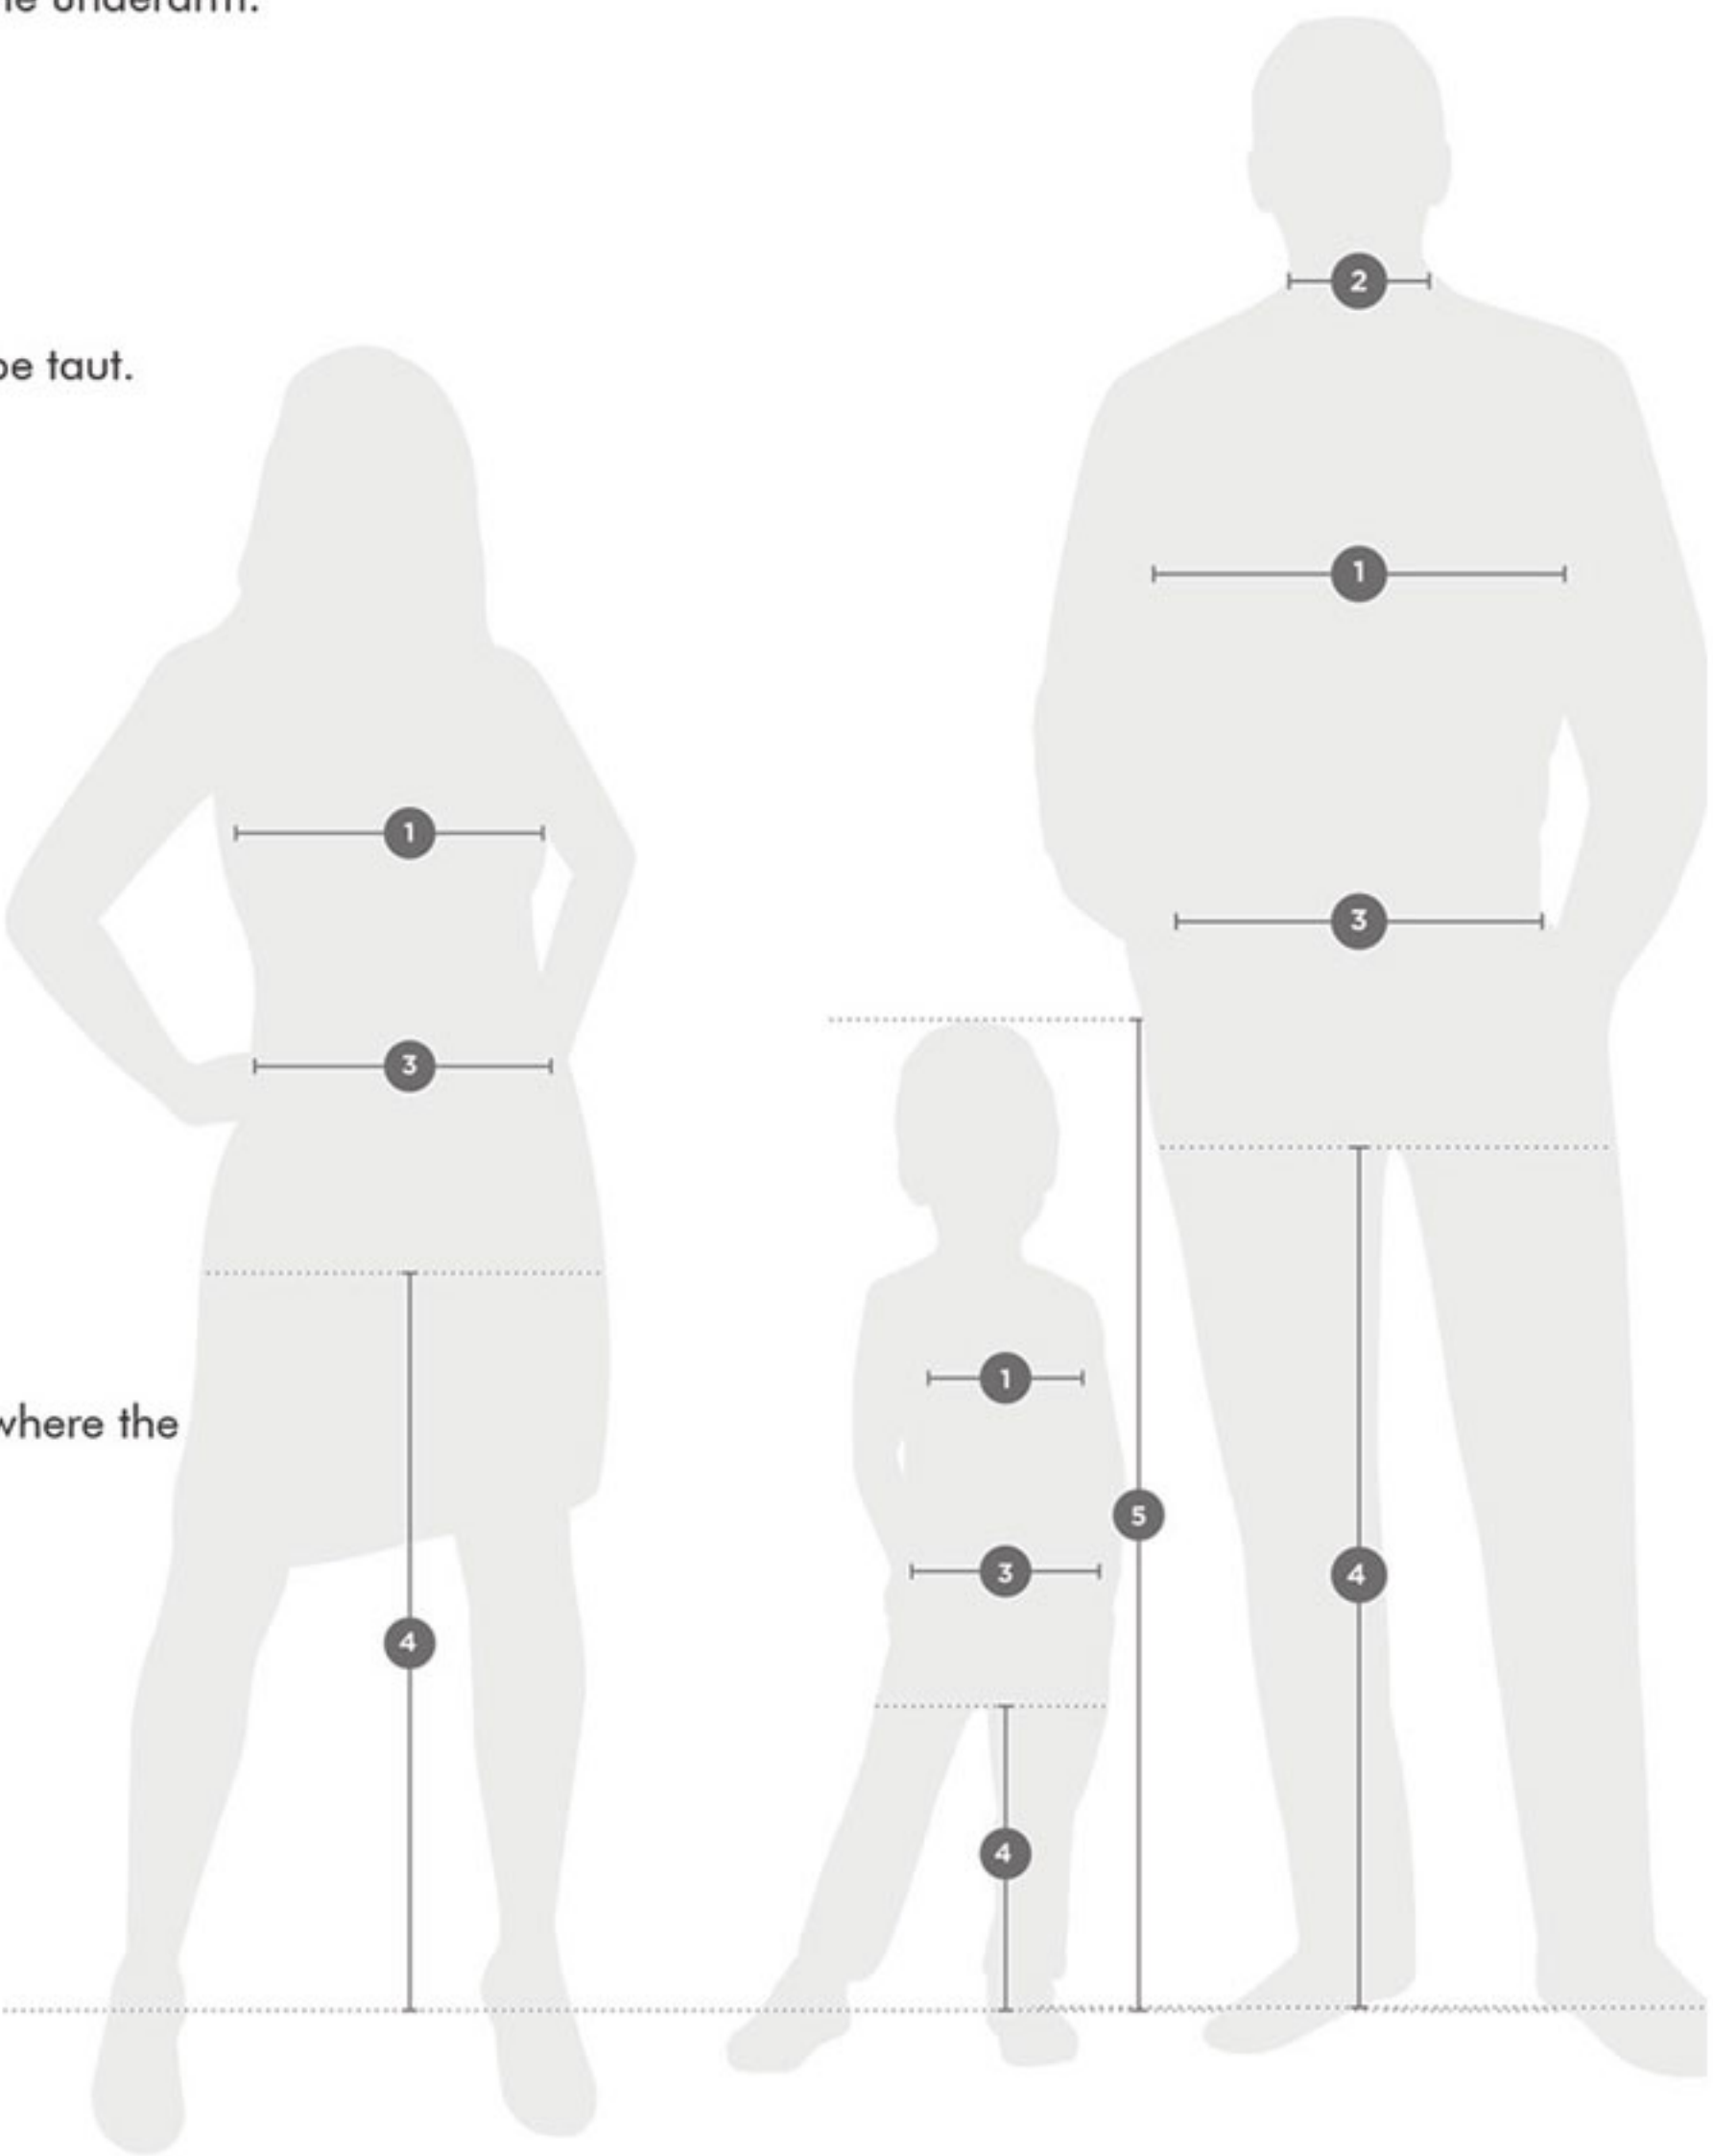

### HEIGHT

**Children :** Standing still with feet together and flat on the floor, measure from the top of the head to the ground.

5

### LEG LENGTH

**All:** Measure from the top of the inside leg at the crotch down to where the trousers are normally worn with shoes.

# Returns and Replacements

We aim to provide you with the highest quality product to meet your exact requirements. Each customer is treated with bespoke needs and we offer a satisfaction guarantee.

## Faulty products

If there is a problem with the product/s you have ordered from us, we will make every reasonable effort to correct it.

If the product is faulty due to a manufacturers error, we will ask you to return it to us so that we can work with our suppliers to provide a replacement or, in some cases, a refund.

## Decorated items

Unfortunately, we cannot offer refunds on personalised clothing and other items. Please make full use of our fitting and consultation service in store and/or the detailed product information available before placing an order. We do not decorate products without your approval.

If there is a problem with the decoration due to an error on our part, we will make every reasonable effort to correct it and provide you with a replacement free of charge. Please return your item/s to us for inspection.

We expect our prints to retain their colour and quality. If you experience any problem with colour or quality after the first wash, we will ask you to return your garment for testing and provide a replacement if the problem is caused by an error on our part. Please follow our washing instructions to avoid damaging your print.

## Garments/products supplied by you

If we are printing on garments or other products you have supplied, we take every care possible.

We cannot accept any responsibility for your products – though we will take every care to ensure they are returned in the same condition they were received.

We cannot offer refunds for accidental damage to your garments during the print or embroidery process.

We will ask you to acknowledge that you accept this risk before we decorate your items.

There is a small surcharge for printing and embroidering on garments not supplied by Extra Mile Printing.

## Undecorated shop stock

If you have bought an item of unbranded clothing from our shop-stocked items we will be happy to exchange it for another size if it is returned in new/unused condition. If a suitable alternative is not available in your chosen garment, we will be happy to give you a full refund for items returned as new.

## Non-stock items

We have carefully chosen our recommended ranges of clothing and other products based on 10 years of knowledge and experience. We regularly review the best new products available.

You are welcome to order samples of items available from our suppliers that we don't usually stock. We will charge a small non-returnable deposit based on the item value. This is usually 20% of the full price.

## **Delivery expectations and prices**

**We pledge to make delivery of your goods to you in the most appropriate manner possible be it by Royal Mail, by courier or by hand.**

**However, if you need guaranteed delivery by a certain deadline, especially if that is in less than 2 weeks, we may need to charge a premium.**

## Frequently Asked Questions

### What do you do with my design once you have printed it?

We securely store all our customers' artwork in their own personal digital file. We will never share your artwork with anyone else, or use it for any purpose other than to fulfil your orders unless you have specifically given us permission to do so i.e. to share an image of your finished product on our social media or website.

Extra Mile Printing does not allow the reproduction or sharing of your artwork file/s.  
Violation of this will incur a design fee.

Keeping your artwork on file enables us to save changes we may have made to make your logos or images print ready and fulfil any future orders without delay, and without charging more than once for any set-up or design time.

You can ask us to delete your artwork from our system if you do not wish for it to be saved but please be aware this may incur delays and/or costs in the future if you want us to print your design again.

### Can you print and embroider on my garments?

Yes, we can print or embroider your own garments in most circumstances. Some print techniques are less effective on a garment that has already been worn and washed but we should be able to find a solution!

If we are printing on garments supplied by you, we take every care possible. We cannot accept any responsibility for your products – though we will take every care to ensure they are returned in the same condition they were received. We cannot offer refunds for accidental damage to your garments during the print or embroidery process.  
There is a small surcharge for printing and embroidering on garments not supplied by Extra Mile Printing.

### Can you decorate over an existing design?

We may be able to help with covering, fixing, changing or enhancing an existing design.  
Please contact us, or bring the item to our studio so that we can advise you whether what you need will be possible.

### Can you remove a design from an existing garment?

This may be possible in some circumstances but there is a risk that removing a print will leave lasting damage. We will need to see the garment to be able to advise you whether print removal will be possible and what the consequences will be. We cannot remove embroidery.

### What is your minimum order quantity?

Most of our products have no minimum order quantity. We love producing one-off bespoke items as much as we enjoy supplying whole schools with their uniform.  
Business stationery minimums apply (please contact us).  
The minimum order for fully sublimated team kits is 10.

### What is your maximum order quantity?

Good question! If you have a large garment order (500+), we may work with one of our friends in the trade to give you the best possible price and turnaround time. This means we can supply orders of 1000's even though we ourselves are only a small studio.

Please discuss your needs with us.

### I am on a really tight budget can you help?

We aim to always say yes!  
If you're on a budget you can make savings by choosing budget garments and cheaper print techniques. We will discuss all the options with you to find the best solution for any restrictions you have.

### I would like something really special can you help?

Yes! We offer a personal service and will be very happy to act as your personal designers, product advisors, and print/embroidery finishers!

**We look forward to hearing your ideas and bringing them beautifully to life for you.**

## **Your information**

Extra Mile Printing is an independent company and will never share your personal information, including your contact details, photographs or artwork you own with any other company or individual.

We will only ask you for information that is necessary to help us provide you with the best service.

All personal information is stored in accordance with the General Data Protection Regulation (EU) 2018.

We will ask your permission to store your information for any other purpose than to complete your order.

If you send us photos as part of the design or print process we will treat these as personal information.

If we design something unique for you, we will never use it for any other purpose without your agreement.

## **Privacy notice**

- Your address
- Any personal information contained in your design (for example: your contact details, your age, your nickname, the name of your school or workplace)

We usually store your information and artwork for up to 3 years, or for as long as you are an active customer of Extra Mile Printing, whichever is longer. We will use evidence of regular communication with our staff (minimum once every six months) to determine this.

We never share your information with any third party.

When you make an online, telephone or card payment in our shop, we do not store your card details. Our payment service providers meet the required legal standards for processing this information on our behalf. We have no access to the full information you provide when making a payment. If you pay by telephone, the details you provide us are entered directly into our payment providers system and we have no access to them once payment has been made. We will confirm this with you over the phone.

You have a right to access the information we hold about you. You also have the right to amend or alter the information we hold at any time.

You have the right to ask us to delete your customer record at any time. Please be advised that doing so may affect your access to special offers, repeat customer pricing, and the ability to re-order quickly and efficiently if you have asked us not to keep artwork containing personal information.

You have a right to tell us how you would like us to use your information. For example, you may be happy for us to store your information for processing orders, but prefer not to receive any communication from us not directly connected with your order.

The GDPR provides the following rights for individuals:

### **The right to be informed**

(Extra Mile Printing offers you this Privacy Notice as explanation of how and why we process your information)

### **The right of access**

(If you would like to see the personal information Extra Mile Printing holds about you, please contact Beccy on 01934 741 792 or email [sales@extramileprinting.co.uk](mailto:sales@extramileprinting.co.uk))

### **The right to rectification**

(Speak to us, or email at any time to update your personal information)

### **The right to erasure**

(Please contact Beccy as above to request deletion of your information)

### **The right to restrict processing**

(You will be given the chance to opt out of any emails not directly connected with an order. Please feel free to contact Beccy at any time to specify or change your preferences)

### **The right to data portability**

(You may find the data we have useful from time to time, for example to review previous orders. If you need access to your data please ask)

### **The right to object**

(Please remember you have the right to specify how we process your information at any time)

### **Rights in relation to automated decision making and profiling.**

(We will never use an automated system to make decisions about how to process your data, or use your data for profiling)
